

The Shoppers Optimum Points TM Donation Program

A Unique Way to Support our Cause!

Please support us! With the opportunity presented by Shoppers Drug Mart's Optimum Program TM, you can help our organization. Shoppers Drug Mart is dedicated in supporting women's health as well as other great causes!

By donating some (or all) of your Shoppers Optimum Points TM to our organization, you are making it possible for us to use your points at Shoppers Drug Mart toward the purchase of products and supplies we need for our ongoing support of Women & Children fleeing domestic violence.

To donate your Shoppers Optimum Points TM, please visit:

<https://www.shoppersdrugmart.ca/en/optimum-new/donate-transfer>. If you are not presently a Shoppers Optimum Member TM, just ask for a card at your next visit to Shoppers Drug Mart. Your new card will be issued right on the spot at no cost.

With your support, this initiative has the potential for us to "OPTIMIZE" our fundraising dollars for families impacted by domestic violence.
